Consent for Collection and Use of Personal Information for Registration in the National Human Resources Database and Provision of Information to a Third Party

■ Collection and Use of Personal Information

The Ministry of Personnel Management collects personal information from individuals with expert knowledge, skills, and experiences required to perform public duties as well as candidates for public office pursuant to relevant laws ("personal information"). The Ministry uses such information to register it in the National Human Resources Database and provide the latest news. The information you provide will be used only for the aforementioned purposes. The Ministry will seek prior approval in case of changes to the purpose of information use.

- Personal information collected: information provided in Item 1-4 of the Application above
- Retention period: semi-permanent (until the user requests deletion of his or her information)

※ You have the right to disagree to the above matter

Do you agree with the collection of personal information as stated above? Yes [] No []

■ Provision of Personal Information to a Third Party

The Ministry of Personnel Management may provide personal information to a third party (such as state agency, local government, public institution, local public enterprise) under Articles 17 and 18 of the Personal Information Protection Act (e.g., when consent is obtained from the person concerned, and in cases stipulated by special clauses of relevant laws)

Also, state agencies, local governments, public institutions, local public enterprises may request the provision of personal information from the Ministry or review such information under Paragraph 4 of Article 19-3 of the State Public Officials Act (e.g., when a person's expert knowledge, skills, and experiences are required for the performance of public duties or for personnel management).

- Personal information collected: information provided in Item 1-4 of the Application above
- Retention period: until information is no longer needed for the intended purpose

※ You have the right to disagree to the above matter

Do you agree with the provision of personal information to a third party as stated above? Yes [] No []

I hereby agree that my personal information will be collected, used, and provided as stated above, and that I have read and verified the content of this agreement.
