지리적 중심

 A diagram showing a circular arrangement of 12 green dots representing antennas. A blue dot at the center represents the geographic center, with a red label '중심' (center) and an arrow pointing to it.	 A diagram showing an L-shaped arrangement of antennas. A vertical line of 5 purple dots and a horizontal line of 5 purple dots meet at a yellow dot at the origin. A blue dot at the intersection of two diagonal lines represents the geographic center, with a red label '중심' (center) and an arrow pointing to it.
원형 안테나 배열 (당진, 울산)	L 자형 안테나 배열 (강릉, 제주)
