Material Transfer Agreement in the above order

I hereby declare that

- 1) I will not distribute, sell, lend or otherwise transfer the materials to third parties for any reason.
- 2) I will mention the KACC no.(or CV no.) connected with this material in all publications and patent applications that refer to these materials.
- 3) I will fulfill the obligations under the Convention on Biological Diversity (CBD) and the Nagoya Protocol (NP) concerning fair and equitable benefit sharing with these materials.

I also agree that

- 1) I am responsible for safe storage, handling and use of KACC strains received.
- 2) Neither the National Institute of Agricultural Sciences can consider claims or accept responsibility for damages or injuries resulting from use, storage.
- 3) Although the identity of the strains has been checked according to present standards, the National Institute of Agricultural Sciences is not liable for damages arising from misidentification or misrepresentation of strains.
