

밀양 나노융합 국가산업단지 관리기본계획 (변경)
- 업종별 배치 계획도 -

A diagram showing a magnetic field line. At the top left is a compass rose with a circle and a vertical line through it, labeled 'N' at the top. Below the compass rose is a horizontal line representing a magnetic field line. The line starts at a point labeled '0' on the left. It goes right to a point labeled '100', then turns down to a point labeled '200', then turns right to a point labeled '400M'. The segment from 0 to 100 is a thick black line. The segment from 100 to 200 is a thin black line. The segment from 200 to 400M is a thick black line.
