Dear 00000 (or Dear Sir or Madam),

Pursuant to Article 27 of the Protocol concerning the definition of “Originating Products” and Methods of Administrative Cooperation under the Free Trade Agreement between the Republic of Korea, of the one part, and the European Union and its Member States, of the other part, Korea Customs Service (KCS) kindly requests your authority to carry out subsequent verification on the authenticity and accuracy of enclosed origin supporting documents.

(필요시) Korea Customs Service (KCS) is verifying whether OOO (수출자명) located in your country legitimately applied for the preference with the certificates of origin issued for the product(s) in question exported from Month DD, YYYY to Month DD, YYYY.

KCS has reasonable doubt about the originating status of the product(s) in question and the validity of the exporter(s)' customs authorization number(s) for the following reasons.

< 합리적 의심 사유 기재 (빈번사용 문구에서 선택) >

1. 인증수출자 지위 유효성 의심
2. 원산지기준 충족 여부 의심
3. 형식적 요건 의심
4. 기타 합리적 의심 사유

Therefore, KCS requests your authority to verify the followings.

1. Did the exporter obtain approved exporter status under the Korea-EU FTA?

- (필요시) Please let us know the date when the approved exporter status was granted to the exporter in question.

2. Was (Were) the origin declaration(s) subject to verification duly and legitimately issued by an approved exporter pursuant to Article 16, 17 of the Origin Protocol under the Korea–EU FTA?

3. Is(are) the customs authorization number(s) (00, 00, and 00) valid?

4. Do(es) the product(s) concerned fulfill origin criteria stipulated in Annex 2 and Article(s) 5 and 6 of the Origin Protocol of the Korea–EU FTA? Do(es) the product(s) satisfy the other requirements of the Origin Protocol?

(필요시) Considering your workload for the requested origin verification, KCS chose 00 C/Os from a total of 00 as representative samples by spec for the product(s) in question (See *Attachment 00*). If your authority performs origin verification on them and sends us the results, we will apply them to all C/Os in line with your determination.

According to Article 00 of the Korea–EU FTA, the customs authorities of the importing party shall refuse entitlement to the preference if there is no reply within 00 month(s)/00 year(s) of the date of the verification request or if the reply does not contain sufficient information to determine the authenticity of the document in question or the real origin of the products. Therefore, we give you a gentle reminder to send us your reply by Month DD, YYYY.

(필요시) We would appreciate it if you acknowledge receipt of this letter.

We look forward to your reply and thank you very much for your cooperation.

Sincerely yours,

(서명)
